

In Recognition of Excellence

The American Health Information Management Association
has recognized the continuing innovation of the
South Carolina Health Information Management Association
in every available category of award with
SEVEN (7) CSA Core Services Achievement Awards for 2009:

First Place in
Continuing Education Programs relating to Coding

First Place in
Diversity Programs

Second Place in
Legislative and Regulatory Advocacy

Third Place in
Continuing Education Programs Relating to HIM Practice Topics

Third Place in
Member Communications

Third Place in
Recruitment and Retention Activities for Students
(tied with Colorado HIMA)

Third Place in
Support for Local Accredited HIM Education Programs
(tied with Michigan HIMA)

*The Executive Board of the South Carolina Health Information Management Association
is incredibly grateful to all of our volunteers, members and partners for making such an
achievement possible.*

*Our success is a result of your energy and generosity, and we offer both our sincere thanks to
all those who make us so very successful!*
