

South Carolina Health Information Management Association
Job Board Posting

Posting Date: 06/22/2010

Organization: Clarendon Memorial Hospital

Job Title: Inpatient Coder **Dept:** Health Information Management

Location: SC

Hours/Pay: Monday thru Friday 8am -5pm **Travel:** None

Education: Associate Degree - HIM

Certifications:	<i>REQUIRED</i>	<i>PREFERRED</i>

Seeking an inpatient medical coder to work Monday thru Friday, full-time. RHIT or CCS preferred with inpatient coding experience. We average approximately 15 inpatient discharges a day. Would like a "universal coder". Universal coder is one that can code inpatient, outpatient, emergency room, day surgery, and observation charts. This duty will be evenly dispersed among other coders as well.

Experience: 3 years inpatient coding experience
